

Festival Rules + FAQs 2016

General

Due to changing weather conditions there can be unexpected breaks during the show or evacuation of the area.

These will be announced via loudspeakers, LED screens and from the security team.

Orders from any member of the security, warden or staff-team must be followed!

Regulation for the festival area

1. Area of application

The following policy is in force for whole festival area at Ahoi! Full Hit of Summer Festival.

Festival visitors are only allowed to enter the festival area with their valid Ahoi! Full Hit of Summer Festival ticket at opening times.

By entering the festival area, the visitor unconditionally accepts all festival regulations as well as all relevant statutory provisions and orders imposed by the public authorities.

Any instruction from the security personal or wardens must be followed.

In doing so, with particular respect to the house rules.

No guest is allowed to harass or restrict other guests or to put someone in danger.

By entering the festival area the festival visitor agrees to an identity, bag and body check.

Additionally each visitor of the Ahoi! Full Hit of Summer Festival and each participant grant the right to utilise and publish any recording by using any technical procedure without any financial compensation and without any limit in time or space to the broadcasting TV and radio companies and photographers.

2. Prohibitions

The Possession of the following items is strictly forbidden:

1. Weapons or dangerous object, which can be uses as missiles
2. Glass containers, bottles, tins, plastic bottles and plastic tanks and hard-shell packaging
3. Bulky objects e.g. stools, chairs, boxes
4. Poles, umbrellas, torches, sticks
5. Pyrotechnical material, e.g. fireworks, Bengali light and similar
6. Chain belts, studded straps and rivet belts (conical studs)
7. Visual- and audio recording devices
8. Flyer, which are not permitted by the organiser
9. The possession of illegal drugs
10. The possession of pets

the full hit of summer

Also forbidden:

1. The throwing of any kind of objects
2. Pushing within the festival site, at the entrances and exits.
3. Stagediving and crowd surfing
4. The obstruction of emergency roads and exits
5. The ignition of objects (except tobacco products)
6. The answering of nature's call outside the toilets
7. To damage and alter (knock over, set fire to or similar) any kind of equipment provided by the promoter such as chemical toilettes, tents, constructions, etc.
8. The damage of fence elements, as well as the climbing and knocking-over of those
9. To ditch holes
10. To bring along food to eat. (Exceptions are baby and kids food.
11. The entering of the stage and backstage areas
12. To bring baby buggies to the festival area

3. Responsibilities

The organiser is not liable for any objects taken along on the festival area.

Attending the festival is at own risk. The organiser accepts no liability for personal injury or material damage.

Loud noise levels at concerts might cause hearing damage and health hazard. (Free ear protection at the info booth + entrance and exit).

The organiser does not accept any liability.

Any kind of damage induced by the visitor on the festival site is only liable for by the organiser if the damages were caused deliberately, or by gross negligence of the festival organiser or a named representative or authorized person. Therefore the organiser is further not liable for personal injury or material damage.

After the official end of the festival, or the closing-off of the festival area, the organiser accepts no liability in regards to visitors still being on the festival area or re-entering after the close-off.

The regulations apply as soon as the setup for the Ahoi! Full Hit of Summer Festival start and can be changed at any time. The rules revoke when deconstruction ends.

If those regulations are not adhered to, it could lead to a festival ban and loss of right to admission to the Ahoi! Full Hit of Summer Festival. The security services adhere to the rules of the house.

Kartenbüro Pirngruber (0732/772833)

Drinking Water

There's a free drinking water fountain at the festival area!

Tips for your health

How to be dressed correctly:

- Any kind of cap will save you from a sunstroke and sun cream will help to avoid a sunburn.
- Please carry rain protection with you (NO UMBRELLAS!)
- Warm clothes are useful at evening times.
- Sturdy shoes – there is lawn at the festival area.

Protect your body:

Don't forget to drink enough non-alcoholic drinks; 2-3 litres of water per day would be ideal.
There's a free drinking water fountain at the festival area!

Do rest from time to time. Your body needs breaks from all the dancing and standing!

Use ear protection, especially if you are close to loudspeakers or in front of the stage.
(Free ear protections at every entrances and at the info booth!)
